Willow's Pussy

Dear Virgin Territory,

Thank you for the large cum shot photo of Alexis Adams in the June '15 issue and the photo of Tigra in the May '15 issue. I just wanted to say sorry about that letter in June '15. You see, I was having a bad week because the Holiday '14 issue was not in the shop that Friday, and it did not get there till two weeks later. When I saw Alexis had no cum shot pick I just lost it. I really like Alexis Adams. She has to be one of the most beautiful girls, if not the most beautiful girl, to ever be in 18eighteen. I know what you said in the June '15 issue, but what do you mean by the photo was corrupt? I don't know what you meant by that. Lexee and Mandy had more cum on their faces than Alexis did. Moving on, so as you know I like to buy Naughty Neighbors mag too. I also like *NewCummers*. I was on 18eighteen.com and saw you have never had a girl in the mag with the letter W, and I saw

Willow in the NewCummers

Spring '15 issue. She is hot and flat. Can we see her in 18eighteen in a sixpage layout?-J.M., Falkirk, Scotland

Dear I.M.,

When we said the photo was corrupt, we did not mean morally. We meant the

actual digital file had a problem and would not work. However, we were able to retrieve it from a backup source. As for Willow, she's cute. We'll see what we can do about getting her in the mag. For now, enjoy this bonus photo of her.

Sapphic Natalie

Dear Virgin Territory,

I really admire Natalie in your March '15 issue. I wanked my cock and punked about eight or nine teaspoons full of cock juice while looking at her set of pictures in that issue. I would like to see her in more of vour issues.

If you could do a lesbian shoot of her outdoors I would be very grateful for this. I would like to see her in a park having a picnic by herself but then two other girls come along and watch her for a while. They would be Aubrey and Alli. Alli is carrying a small bag with a strap-on in it. She takes it out and shows it to Natalie who gets very excited. Alli pulls up Natalie's skirt and she's wearing

white panties that are soaking wet. Meanwhile Aubrey takes off her clothes and puts on the strap-on and sticks two fingers up Natalie's asshole. Alli thoroughly wets her panties, takes them off and rubs them in Natalie's face, and wrings her soaking panties into Natalie's mouth. She swallows every drop.

Aubrey eases the strap-on up Natalie's ass and reams her for two minutes. Then she removes the strap-on and puts it in Alli's mouth, who licks and sucks it clean. The

two girls then tell Natalie to lie down. One girl sits on her face while the other licks her pussy. Natalie

pretty solo girl spreading her pussy. So placing Barbi there was a breath of fresh air. I like the photo of her on page 46 where we see her full legs while she's bending over and pulling her panties to the side. She has a great figure, and I'm glad that you gave us several photos of her from head to toe. There was also just the right amount of spread pussy photos. It's always a little disappointing when a girl doesn't show us any pink, but it is possible to over-do it with the close-up pussy shots. I like that we got a mix of face, body and pussy shots with Barbi.-F.S., Philadelphia, Pennsylvania

Dear F.S.,

We're glad you liked Barbi's layout. But with such a lovely subject, it would be hard to go wrong. Sadly, we don't have any more sets of Barbi, but there's a bonus photo of her on page six for you.

Sasha & Her Sluts

Dear Virgin Territory,

My copy of *The Sex* Tutor just arrived, and I

an excellent job. I'm a fan of the teen and sexy MILF combo, and just knew I had to order this DVD when I saw it advertised in your magazine. Sasha really takes control. She knows how to put these teens in their place and get them to do all kinds of dirty sex acts. My two favorite scenes were the ones with Jennifer and Kasey. I

loved seeing Jennifer pee outside and then get spanked. Seeing her with this horny MILF and that big-cocked guy was a dream cum true. While Jennifer was more of a submissive type, Kasey was a sassy little bitch who got put in her place by Sasha. Watching Sasha command her to suck two cocks almost made me blow my load, and I finished while both women were getting fucked by those two guys. I also have to say I thought it was hilarious that the girl walked in on Sasha randomly sucking some guy's cock, and Sasha didn't even flinch. It's nice to see some humor in your videos too. Good job.-R.R., Chicago, Illinois

Dear R.R.,

The Sex Tutor was a different kind of movie for us, but we knew we couldn't pass up on the opportunity to pair Sasha with some tender teens. We're glad you enjoyed it. Stay tuned for more pictorials from that DVD.

Juicy Lips

Dear Virgin Territory,

Alessandra's hardcore pictorial in the July '15 issue really got my juices flowing. I get so hard thinking about those pouty lips of her wrapped around my cock...both pairs of them! She has a cock-hungry look written all over her face. I'm crazy about her

tiny tits and meaty pussy lips. Some guys like the smaller pussy lips, but I adore a pair of meaty curtains that I can suck on. And you have to love a girl who is down to fuck in the outdoors. Is she in any DVDs? Hope to see more of her.-E., via email

Dear E.,

work.

Alessandra is in the movie Jizzed Teens 3. You can check out the video preview on page 12 and order a copy on page nine.

Marissa Sets the Bar

Dear Virgin Territory,

Marissa's pictorial in the July '15 was perfection and should be the standard which all other girls and pictorials are held to. She is adorable and deliciously flat. Her schoolgirl outfit was great. I wish every girl in your mag could be

in a schoolgirl uniform, but I realize that might be overkill. The white bra and white cotton panties are also classics that you can't go wrong with. I would write in to try to win her panties, but my wife would kill me if they were sent here. I'll settle for more pictorials of this cutie.-T.K., Boulder, Colorado

Dear T.K.,

You're in luck. Marissa has a hardcore pictorial in this issue! Go to page 88 to check it out.

her pleasure and yours. She gets her puffy pussy split by his dick in a variety of positions. And after getting pounded on all fours she gets that

salty spray on her tongue.

Not only is Kaylee awesomely flat, but she's also really good at sucking cock, too. She takes this guy's pole deep, and her eyes even water. Then she does the same thing with her pussy, letting him bottom out in her box. Red-faced and smiling, she licks dude's balls before opening wide to accept his load. Dakota looks like a bad girl, but she's actually a submissive teen. She happily follows her fuck-buddy's commands,

especially when he tells her to open wide for him.

She also plays with her mom's make-up, but it doesn't always go on her face.

"I know it's kind of weird, but sometimes I like to put my mom's lipstick on my nipples. Mine are tiny and pale, so the bright red really makes them stand out. I never told anyone before that I do this. I hope no one thinks it's too weird! I kinda always wanted to do that for a guy, but I'm not sure how he would react. I guess the guys who read your magazine can let me know what they think of that."

You've got a hot little body, Jojo. We noticed that you have a thong tan line.

"Yes. I like to wear thongs to the beach to show off my little butt. I figured I might as well show off my body while it's still tight. And you might have also noticed that I don't really have tan lines around my boobs. That's because I like to go topless whenever I can. It feels good, and I love the looks I get."

She knows the guys in class can't resist a blonde in a tartan skirt, so she parts her knees to tempt whoever is bold enough to look. By the end of class, her sensible cotton panties are soaked and clinging to her cleft.

So many flavors, so little time....

BY PAULINE WORTH

Great White Hype

"I come from a family of athletes," Jolisa told me in her initial email. "My dad runs marathons. My sister has been a tennis all-star since middle school. She's on partial scholarship at college now because she's so good. Me? I am no Serena Williams." Perhaps Jolisa

ic t-shirts, jeans and flip-flops make up this 18-year-old's usual ensemble of choice.

When she strolled into the diner near the Florida school she attends, a few eyes turned to look at the cute, bookish girl in the Star Wars ball cap, her smooth chocolatey skin flawless, her full lips-indeed her entire lovely face-bereft of makeup. It's trite to say, but with large, wide eyes, a thick fringe of black lash and a wide (if shy) smile, she's the poster girl for not needing any.

She slipped into the booth demurely, ordered a chai latte, and quietly, we went over her story.

"Randy is not my type," she announced. "I

> have crushed on guys of all races, but big, dopey, white jocks have never been in rotation when the lights go out and I'm thinking about something sexy."

Their arrangement was built on the classics; she was tutoring him for lit.

"He'd show

up for our tutoring sessions after practice, freshly showered with this wave of testosterone coming off him. He'd been in

a great mood after all the exercise, and sometimes he'd wear these tshirts with the sleeves cut off and the arm holes really wide...you could just see those muscles on his chest and back and his shoulders. I found myself thinking about him long after he was gone."

Vivid fantasies began playing themselves out. An avid masturbator, she found herself thinking of him in bed at night. Had he ever been with a black girl? Would he be good with those big, strong hands? She talked about it some with her friends who began rooting for her to satisfy her curiosity.

"They made up funny names for him like 'Randy the White.' That's a play on Lord of the Rings, by the way-not racist! 'Have you seen the mighty magic staff of Randy the White yet, Jolisa? Have you gotten any jock cock?"" She laughed. "So dumb. But yet, I

wanted the jock cock. Bad."

And so on the night before his big exam, as she helped him with the paper he'd been working on, she decided an end-of-semester pep talk of sorts was in order.

As they sat on the floor of her room, his back against the side of her bed, she slipped into his lap-all 109 pounds of her on his 200-pound frame-and looked at him intently, with a sweet, shy smile behind black cat-eve frames.

"I think you've learned a lot with me this semester," she purred. "Our sessions have been productive."

His big hands slid to her slender waist. She could feel the jock cock stirring impressively against her tight, trembling trim. His shorts did little to suppress it.

"I thought maybe, if you thought I was a good teacher..." she kissed him softly, full lips pressing gently against his, "you might teach me a few things, too."

They kissed harder and he lifted her, effortlessly, and lay her gently on the bed. Her cap fell off and her hair fanned seductively around her head.

"Jolisa, I have been thinking about this since the day we met," he said.

on the clay, but she'd look just as stunning in the costume.

Petite and just a tad curvy, her penchant for yoga shows. What's more, she's a nerd in the raw. Glasses, iron-

"Are you sure this is what you want? I would have never guessed."

She kissed him again, this time more passionately, her tongue invading his mouth, her teeth catching his lower lip. "Yes, Randy. Please. And don't be gentle with me. I want it hard." She giggled.

It was on.

She pulled down his shorts and freed the beast-and an ample one it was. She

"He was surprising me all over the place! And after a few minutes of his tongue on my back door, he slid a bit of finger inside and the mouth went low, eating the fuck out of my pussy. Like he was really gonna eat it! When his tongue wedged in and touched my clit it was a touchdown. Game over! I came and came and I'm pretty sure the whole floor knew it,

but I didn't care one bit!"

The orgasm only made her hotter.

Pulling Randy down on the bed, she kissed him,

getting more excited as

took it in her hands and mouth

with hungry abandon, sucking and licking and even grunting as she slid its length all the way down into her gullet, devouring the creamy spend at the tip. Jolisa delighted in the way he looked at her with his cock in her mouth, holding her hair, imagining the glasses doing their "sexy librarian" magic, her delicious lips doing the rest.

She cradled and squeezed his balls, milking them. He was close and he knew it. So he stepped away.

"Uh-uh, girl. You are getting my A game...and you're giving me yours."

And with that, he flipped her over, took down her sweats, put a playful little smack on her round derriere and spread open her cheeks, giving her what turned out to be her very first rim job.

"Mmm, it was heavenly!" she whispered into her mug.

"My pussy got so juicy with that tongue on my ass. Plus the comment was wittier than I'd expected from him," she laughed.

she tasted and smelled herself on his face. "I tore off the rest of his clothes, and mine, so we could be naked together. I loved the glimpses I caught of us in the closet mirror. Our contrasting skin colors and his beautiful cut body."

She pulled him down onto the bed and climbed on top, sliding his primed cock into her truly dripping pussy, clamping him hard. "Oh, damn, Jolisa, you are TIGHT," he

said, eyes rolling a bit in his head.

With his hands on her slim waist again, helping her ride, she was fucking him, but in a way, he was controlling the motion. His cock was alive inside her, probing and hitting every nerve she never knew she had. Then he pulled her closer, kissing her face, lips, neck, playfully biting her small, hard nips. It was too much for them both.

"We came together," she told me, "and it was transcendent-his cock pulsing, my pussy contracting, and I collapsed on the bed next to him. We lay there like that for a while, touch-

> ing and staring at the ceiling and just as I was wondering what this encounter would do to our student-teacher relationship I realized that he was going to pay me for this session–for the tutoring part, anyway-and I horselaughed out loud!"

"I know," he said, reading her mind. "I never

> He was a sexy fucking handyman. And very fucking handy.

thought I'd pay for it, either." He turned and kissed her. "Maybe we can work out a better deal for next semester? I have a rep to uphold."

"Turns out he was a little smarter than I gave him credit for."

The Super

Call Super.

It was on the to-do list Maddie's mom left on the kitchen table. The rest

were household chores, but the toilet in their Brooklyn apartment had been acting up for a few days-sporadically stuffing up-and Mom was over it. They lived in a two-bedroom, one bath. It's not like there was another option if you had to go.

Madison was lanky and blonde and 20 years old. She went to a local community college, splitting time between studies and work. She waited tables at a fashionable bistro not

Shoulder raises, curls, squats, lunges, ab work...it was a solid 30 minutes of weights and cardio, all the while thinking about the sexy Señor Fix-It just steps from where she lay.

"Got any more tools?" she said. If it was going to feel like a porno, may as well cheese it up.

When the video ended, she turned to find Hector II standing in the door to her room.

"How long have you been standing there?" she said.

'Just for the last three lunges..." he said, smiling. She shyly pushed past him and into the small bathroom. He followed.

"Is it fixed?" "Yeah, it's fixed."

He reached over her, forearm grazing hers, and flushed the toilet. Whoosh! No issues. He was good. What else could he fix, she wondered...? She pressed her toned thighs together. Her clit throbbed.

"You got anything else that needs fixing?" Hector junior asked.

Her mind flashed. It was 12:30. Mom was at work until at least six.

"You're reading my mind," she said, marveling at her boldness, moving in for a quick, hot kiss in the tight confines between the bathroom sink and the room's open door.

Then she remembered her work out. Ugh!

"Wait," she said, breathless as his tongue traced a snaky pattern from her earlobe to her neck. "I'm all sweaty and gross."

"Pff," he scoffed. "More to taste," he growled, his hands cupping her ass through the stretchy Lycra pants. "Only pussies don't like sweaty pussy...." His large, rough hand slid around to the front, easing between her legs, now cupping her moist mound. "I'll give you a tongue bath, mami, and we've got a shower right here if you really feel like you need to get clean."

He eased her up on the sink, taking off her shoes, peeling the pants off her humid, sexed-up skin.

"Me, I'd rather go sweaty and dirty all the way....'

far from the apartment she'd lived in her whole life.

In fact, she'd known Hector pretty much her whole life, too. He'd been holding the building together from his basement apartment for at least a decade. He and her mom weren't friends, per se, but they were definitely friendly. The whole building was sort of an extended family. Most of its residents had lived there 10 or more years.

So she didn't much think about it when the doorbell rang around noon.

"Mom told me she spoke to Hector the day before about fixing it, so I called his cell, left a voicemail reminder and didn't think about it for the rest of the morning. I cleaned whatever she asked me to clean, did some homework and was dressed to do a workout video when I heard the ding-dong of the doorbell."

The man at the door sported

clean, white T-shirt. He was holding a tool box and wearing a cocksure smile. But it wasn't Hector. Madison was knocked a bit off-balance by the handsome, swarthy stranger. She put his age at about 30. "You're not Hector." "I am, actually," he

said. "I'm Hector the second. His son." "Hector has a son?"

"He has two. I have a twin brother. We live with our mom." He

paused and laughed. "Well, lived. I have my own place now."

Her memory was cloudy but slowly coming back.

"Did we play together sometimes when I was little? Hopscotch?"

He laughed again. She felt her nipples respond. Great teeth, great laugh, hot forearm tattoos....

"Yes! Raul and I never wanted to play it but you were the only kid in the building and you always got what you wanted! Once in a while vou'd let us play..."

"...Super heroes!"

They said it at the same time, laughing. It was coming back to her. She let him in, following him down the hall to the bathroom, told him about the problem and left him to it.

Damn, Hector, where have you been hiding your son, she thought to herself, popping the DVD into the tray and beginning her work out.

And in an instant his head was between her thighs, sweaty panties pulled to the side, and she could hear him drinking in the smell of her cunny like it was perfume, his tongue sloppily making its way between her blonde, fuzzy lips. He really didn't want it clean. He liked it nasty. And, she was learning, maybe she did, too. She buried her hands in his curly, black hair and pushed his face into her snatch.

He reveled in it. And her pussy glazed him with sweetness. She was so turned on watching him eat her in the bright

and fucked her with his tongue.

She wanted him to watch her, too. Easing him away, she hopped off the sink, flipped down the lid on the loo and sat, waiting for him to unzip his workman's Dickie's.

"Got any more tools?" she said. If it was going to feel like a porno, may as well cheese it up.

He smirked, yanking an impressive prick from his boxer briefs.

"Happy to snake your pipes, ma'am," he said.

She giggled and grabbed at him, taking him deep into her throat as his rough hands tangled in her hair, pulling it free of the ponytail and letting it cascade to her face, her back, some of it sticking messily to her mouth as she ate the length of him over and over, dipping her head low to tongue his balls, loving how he watched her, how his fingers traced her lips. She sucked on them along with his prick, feeling it grow and stretch and harden.

"Can I fuck you, mama?" he said. "Let's watch me fuck you."

She nodded, taking his hand, bending prone over the sink so they the fingers of his left hand, watching as his right reached for her rosy nipple. It was mesmerizing. He was a sexy fucking handyman. And very fucking handy.

"I'm gonna come," he breathed. "I'm gonna come," and she turned and dropped, taking his cock deep into her mouth, swallowing every creamy drop save a bit she missed. It dripped sexily down her chin. When she stood, Hector scooped it with his finger and had her lick it up. That one little move made her want to fuck him all over again.

"Dirty is good, yeah?" he said, brushing the hair from her face.

"It is," Maddie said, reaching with one hand for the shower handle, the other for his cock. "How about we try clean now?"

Hector smiled. "Clean's good, too," he said.

there's the boys.

"Oh, I like them just fine..." she told me when we finally met in person. In fact, she was able to jet out to the coast where I was working on an assignment. She even bought my lunch. We dined in a Los Angeles hotel that far surpassed the sort of places I usually meet the girls from my stories.... The chat, however, fell along much the same lines.

"Star athletes are kind of irresistible, right? Well Mel was the star player on my high school basketball team this year. The captain. He transferred into my private school from Chicago and everyone thought he was some scholarship kid–and he played that up–but it turns out his dad is a surgeon...." She paused, laughing. "Point is, he is not the kind of guy I thought my daddy would appreciate me dating. So I figured I'd just fuck him instead."

And wouldn't he be proud?

"Mel is handsome, tall, buff and yes: black as night," said the tiny blonde, her big-ish hair and big blue eyes as bright and shiny as could be. What's that they say about the ones who look the purest?

"And I know he saw in me the same thing I saw in him: something sexy and altogether different than anything we'd ever known before. And what's wrong with that, right?"

The night it happened was the night before the big game. Mel's ritual, it turned out, was complete isolation. No friends, no parties, no girls, nothing. The coach even set him up with a room at a nice hotel near the arena where they'd be playing.

"I found out where," she told me. It had to be the best room service anyone ever had.

"I knocked and there he was, nearly two feet taller than I am, gazing down on me in my tight, little dress and high heels. We had been flirting on the sly for months, and he smiled down at me."

"What are you up to, girl? You know I don't see anyone before I play," he said.

"No one knows I'm here. I don't have to stay over. But tonight,' I told him, 'you're breaking that rule.' I

Malvina looks like something out of a Tolkien novel.

Precious, indeed! Malvina's unusal elvish beauty is the first thing that caught our eye. Her delicate features set her apart from the crowd, and that figure could cast a spell on anyone. And once her clothes come off you see that her bald, tiny-lipped pussy is just as enchanting. "People always tell me that I have a unique look. I'm flattered they think that but I am just a regular girl who likes normal things."

Malvina presents us with some delicious positions to fuck her in.

On this page Malvina shows us just how tight both of her holes are. Even spread wide open, it would still take effort to ease your cock into either of them...and that's a good thing! "There's nothing like the first thrust into your pussy when it's at its tightest," Malvina said. "I haven't done it in the butt yet, but I can imagine how tight it is. Especially mine that has never had anything in it." To the right, we see her slit in all it's glory. With her knees closed and up by her face her tunnel is a snug cock-sleeve.

Layla's dark lotus flower is lovely.

Layla is a prime example of a girl with big pussy lips and a little hole. Even when she spreads her dark flaps, we can barely see what's inside. We also love the gradient effect that starts with the dark purple of her outer lips and fades to a light pink in her juicy center. "I have a confession to make," Layla told us. "I don't like to wear thongs. It's not because they ride up my butt. It's because they can't contain my massive lips! They'll end up slipping out the sides. So I just wear basic full-back cotton panties. I wish I could be sexy and wear thongs, but oh well! If I'm wearing something tight I'll just skip the panties altogether and let my lips hang free."

Are your lips sensitive?

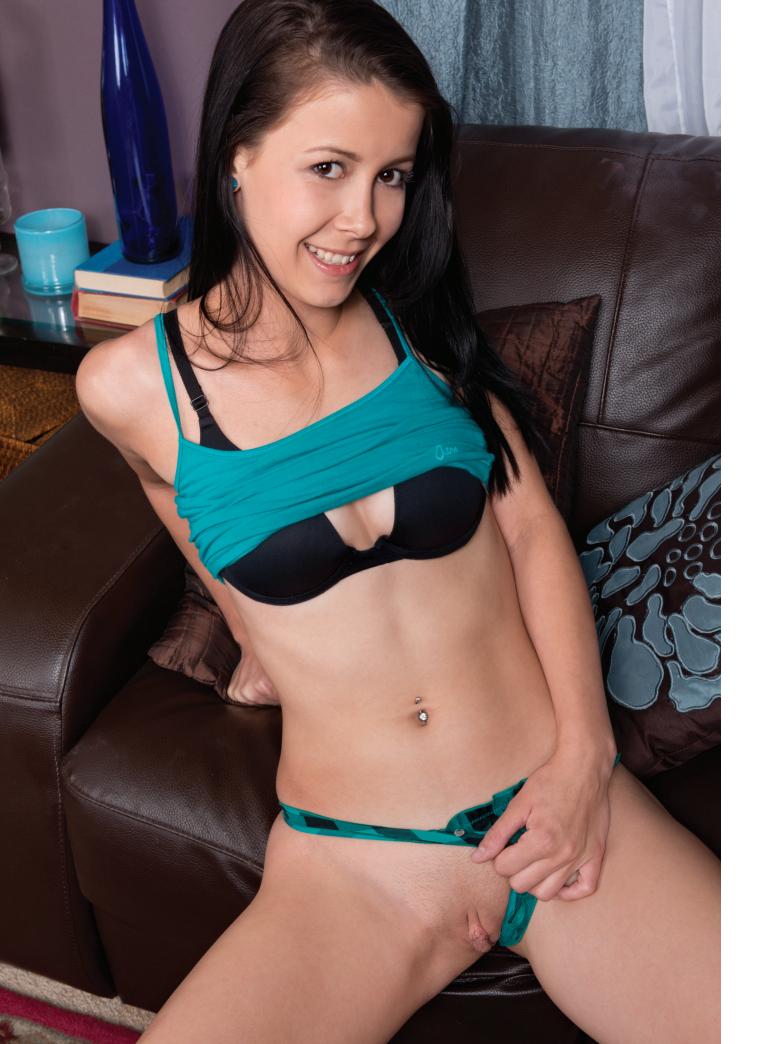

"A little bit. It feels good to have them played with and sucked on. I like it when a guy buries his face in my pussy and I can see my lips fanned out on his cheeks as he eats me out."

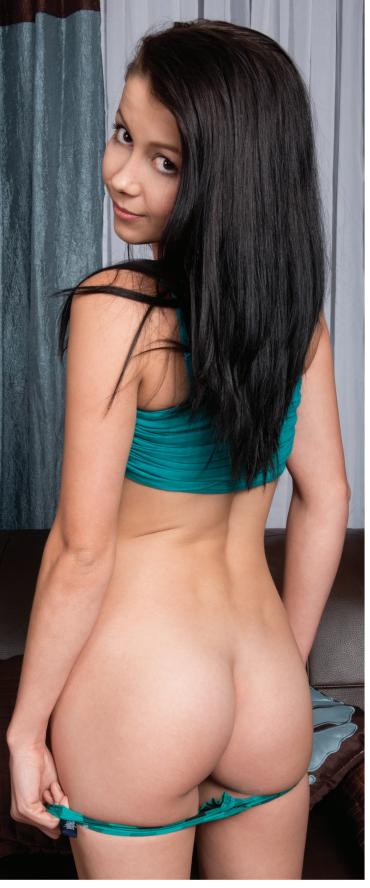

Welcome back, Alaina. Can you explain to us what a starter pussy is?

"It was a compliment this guy gave me recently. A starter pussy is well-groomed, pretty to look at, has little or no smell and tastes good. It's the kind of pussy you want when you first start fooling around because it's nice and will leave you with a good impression of your first sexual experience. For example, I haven't fooled around with any girls yet, but when I do I'd want a girl with a starter pussy, someone with a nice, juicy peach between her legs. Then we could have a lezzie starter pussy 69 and drip our sweet juices all over each other's faces! Sounds pretty hot, right?"

You mentioned that you have a way of telling how much a guy likes you.

"Yes. It's by how much and how hard he cums. The more a guy likes you, the more turned on he is. And the more turned on he is, the bigger his load. When their cum sprays really far, you know he's really into you. If we're fucking in missionary, I want the guy to pull out and the cum to shoot so far it hits my face. That's why girls like big loads."

TASTE THE RAINBOW

Continued from page 62

stepped inside and closed the door.

"We sat on the sofa and watched TV a bit. It was awkward at first, knowing why I'd come, but after a little while we relaxed and talked and laughed and before long I was in his lap and we were kissing. He was incredible, and my pussy, which had been wet and eager even before I'd gotten to his room, was just about dripping down my leg.

"I stood and eased my dress up over my hips to reveal the surprise Brazilian bikini wax I'd gotten at the

spa that morning.

"'Damn....' was all he could manage to say.

"He picked me up and carried me to the bed and we lay together, his big, thick fingers playing awhile inside my cunny until I took off all my clothes, save my shoes, and begged him to kiss it. I lay back down on the side of the bed, heels on the floor, thighs spread, and watched him lick and kiss and suck my bald cunny until I thought I'd die."

Then, she said, came the reveal. He stood up and stripped and she watched his body, strong and beautiful and ebony, appear bit by bit and then, at last, his cock. "It was not a monster for his size," she wrote in her letter. "It was proportionately big. But I should probably point out that he's about seven goddamned feet tall!"

In person, she confirmed the story.

"I took the time to look it over, to lick it and suck it—and yes, it was exotic—but I was most surprised by how the build-up for that was replaced by the genuine excitement. Not, as I kind of had in my head at first, at being with a black guy, but the excitement of being with Mel...."

"He lay back on the bed and I got on top-reverse cowgirl-and eased his giant prick inside me. This way, it fit, but fuck, if I didn't get so stretched and full. I rocked back and forth on his cock and moaned. He kept asking me if he was going to ruin my tight little pussy for other boys....and I said, 'Yes, yes, yes....'"

She's not sure that was pillow talk.

"He stood and held me and we interlocked like that, my tight, wet cunny and his big cock. The motion was effortless in his arms. I was a doll,

a sex doll, and he was a sex giant, holding me, fucking me, making me scream. I leaned back and fingered my clit while he slid me up and down on his pole, watching."

Then at last, they fell to the bed, missionary, her shapely, little legs wrapping around him as he pushed the whole length of his dick inside her again and again, muffling her moans with kisses until she came.

"Then he pulled out and I watched as he came all over my belly."

And, it turns out, Mel let her spend the night. She crept out around dawn before the coach showed up, but sat front row for the game.

"I had feelings left over," she told me, "but I figured that was that. I had

to lie in the bed I made and let it go. It was a one-night thing."

When the team won it all, Mel fought the crowd to find her.

"He went down on his knee and told me I was his good-luck charm," she said. And ever since, they've been dating. "We're an odd couple I guess," she said, but the families are getting to know one another and things are better than she expected—even with her daddy.

"He may be great at basketball, but Mel's planning on med school and joining the family practice," said Cassie. "Daddy always said I should marry a doctor."
